STATUS INQUIRY

Sir:

The above-identified patent application was filed on March 28, 2005. The filing included a Transmittal Letter to the United States Designated/Elected Office (DO/EO/US) Concerning a Submission Under 35 U.S.C. § 371, and several other documents necessary for the filing under 37 C.F.R. § 371. Applicants also filed an unexecuted Declaration and Power of Attorney. To date, however, Applicants have not received a Notification of Missing Requirements Under 35 U.S.C. 371 ("Notification").

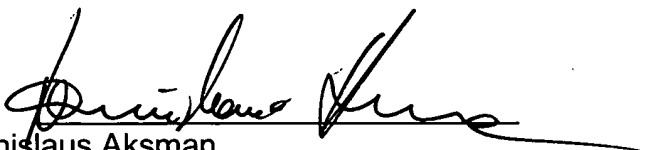

Applicants note that the USPTO website for this application includes a Notice of Acceptance of Application Under 35 U.S.C. 371 and 37 C.F.R. 1.495 ("Notice") dated September 29, 2005, indicating an Oath or Declaration was filed on March 28, 2005. Since Applicants' records indicate that an unexecuted Declaration was filed on March 28, 2005, this Notice appears to be in error. (Applicants have not received the original of the Notice).

Accordingly, Applicants respectfully request that the U.S. Patent and Trademark Office ("PTO") inform the undersigned representative as to when the Notification from the PTO will be received.

It is believed that no fee is due in connection with this filing. However, in the event that any fees are necessary, the Commissioner is hereby authorized to charge our Deposit Account No. 50-0206.

Respectfully submitted,
HUNTON & WILLIAMS LLP
